INDEX TO VOLUME LXXX.

January 1 to June 30, 1904.

A

*Accounting, Central Station Office Methods and, by W. Frueauff 1004
Adams, Alton D., Electric Lighting in New England, Rise of 936
Address of President B. C. Cobb, Michigan Gas Association 283
Address of President John D. McIlhenny, Ohio Gas Light Association 451
Address of President William E. McKay, New England Association of Gas Engineers 323
Adhesion of Steel and Concrete, Some Phenomena of the .. 1010
*Admission of Steam to Water Gas Producers of the Lowe Type, The Economic, by G. W. McKee 126
Advertising as it Concerns a Gas Company, by A. P. Ewing 288
*Air Engine and Hoist, The Pilling 164
Alaska's Petroleum Future 127
*Alexander, A. D., and L. Bairstow, Gas Explosions 1009
*Alternating Current Motor, The Repulsion Type of 247
Aluminum as an Aid to the Electrician 213
American and English Gas Prices, Reasons for, by Frederic Egner 562
American Central Electric Station Statistics 11
American Gas Works, An English Study of Some, by A. J. Walker 966
Ammonia, A Few Notes on, by F. E. Sheriff 287
Analytical Valuation of Gas Coals, The, by G. P. Lishman .. 965
Andrews, J. C., Fuel and Gas Appliances 846
*Apparatus for Removing Broken Taps, An 128
Arcades, Bazar of, St Louis Exposition 521
Arc Lamps, Gas, Installation and Maintenance of, by Thomas H. Hintze 367
*Artificial Lights of the Japanese, Queer, by "G. D. R." .. 843
Associate Work, The True Spirit of, by C. F. Drake 168

B

Baehr, W. A., Recuperative Benches, The Construction and Operation of 685
*Bairstow, L., and A. D. Alexander, Gas Explosions 1009
Ball, W. Valentine, Electricity and the Law in England and America 652
Baltimore Fire, Concrete in the 933
Battery, The Storage, in Small Central Stations, by J. M. S. Waring 612
Bazar of Arcades, St. Louis Exposition 521
*Benches, Care of, and Results therefrom, by T. J. Whalen 284
Bills, Gas, The District Collection of, by F. W. Frueauff ... 808
*Binks's Whitewashing and Painting Machine 47
*Birchmore, Dr. W. H., Gas Burners, Some High Power ... 43
*Birchmore, Dr. W. H., Mantle Burners, Some Speculations on 2
Board of Gas and Electric Light Commissioners, Massachusetts, A Review of the Last Report of the 648, 691
Branston, F. R. E., Moisture and Condensing Gas Stoves .. 369
Breakdown in Electric Motor Installations, Some Remarks upon Causes of, by "A. H. M." 810
Breeze, Burning with Underfeed Stokers, by M. E. Malone. 682
Breeze, Coke, Burning on Hollow Grates, by C. H. Williams 685
*Bristol Thermometer-Thermostat, The 883
British Gas Legislative Enactments Compared with those of the United States, Advantages of, by John West 292
*Broken Taps, An Apparatus for Removing 128
*Bronder Charging Machines at the New York City Gas Works, The 923
*Bronder Retort House Machinery, The 883
Burners, Incandescent Gas, Maintenance of, by E. Haase .. 368
By-Products Obtainable in the Purification of Coal Gas, Something New Concerning, by Frederick Egner 289

C

*Campbell, A. J., and George B. Leland, Independent Water Heaters, Testing of 484
Canning, Thomas, Gas and Electricity as Sources of Motive Power, A Practical Test of 1003
*Capillary Electrometer, A New Portable, by L. Ramakers. 886
Capitalization of Gas Companies, by Robert W. Prosser 531
Capper, Professor D. S., Gas Engines, Recent Developments in the Construction and Working of 48, 86
Carrier, W. H., Heating and Ventilating of Foundries and Machine Shops 9
Cartwright, Henry R., Station Meters, Care of 609
Cast Iron Pipe and Special Castings, Standard Specifications for 370
Causes of Breakdown in Electric Motor Installations, Some Remarks upon, by "A. H. M." 810
Central Electric Station Statistics, American 11
Central Station Economy, by F. H. Davies 731, 773
*Central Station Office Methods and Accounting, by F. W. Frueauff 1004
Central Stations, Small, The Storage Battery in, by J. M. S. Waring 612
Central Station Statistics of Germany 132
Central Station, Steam Heating from a 106
*Charging Machines at the New York City Gas Works, The Bronder 923
Civil Engineering Schools be Modeled after West Point? Should 972
Clerk, Dugald, Internal Combustion Motors 811
*Coal and Coke, Sulphur in, A Rapid Method for the Determination of, by J. D. Pennock and D. A. Morton 44
*Coal and Water Gas Plant, A Combined—The Jones Patent 83
Coal Company, A Great Japanese 130
Coal Gas, Something New Concerning By-Products Obtainable in the Purification of, by Frederic Egner 289
Coal, Indian, The Commercial Value of 22
Coal Miners' Wages 90
Coals, Gas, The Analytical Valuation of, by G. P. Lishman. 965
Coal Trade in 1903, The, by F. E. Saward 68
Cobb, B. C., President Michigan Gas Association, Address of 283
Coke Breeze, Burning on Hollow Grates, by C. H. Williams. 685
College Courses Dealing with the Professional and Theoretical Phases of Electrical Engineering, The Typical, by D. C. Jackson 209
Concrete in the Baltimore Fire 633
Concrete, Making Water-Tight 892
Concrete, Some Phenomena of the Adhesion of Steel and .. 1010
Condensing Gas Stoves, Moisture and, by F. R. E. Branston 369
Congress, The Gas, and its Relation to the Gas Fraternity and the Gas Industry, by C. J. R. Humphreys 722, 843
Congress, The Gas, by "W. F." 1002
*Connections, Pipe, Shop Talks on Threads and, by "G. D. R." 963
*Connections, Service, by "H. M." 246
Construction and Operation of Recuperative Benches, The, by W. A. Baehr 685
Cooking and Heating by Gas, Advantages of 572

CORRESPONDENCE—

Cabot, Mr., Replies to Mr. John West 402
Criticism, A Well Merited 812
Electrolysis and a Cure therefor 873
Gas Arcs and Their Utility, Something More About 2
Glad that We were Wrong 322
Insulating Couplings for Protecting Pipe Systems from Electrolysis 91
Paints for Metal, Proper 91
Special English Correspondence 171, 332, 492, 692, 852, 1011
Crockett, Joseph B.—Obituary Note 163
*Crystal Palace District Gas Company's Works, Firebrick Making at the: A New Source of Economy for Gas Works 123
Current-Carrying Wires, Electric, Construction and Maintenance of 251
Cyanidation, Improvements in, by Alfred James 205

D

Davies, F. H., Central Station Economy 731, 773
*Dehydrator, a Useful Form of 371
Decay of Metals, The 612
Destruction of Underground Pipes, etc.: Unscientific Electric Engineering, by H. W. Spang 85
*Determination of Sulphur in Coal and Coke, A Rapid Method for the, by J. D. Pennock and D. A. Morton .. 44
Development of the Modern Gas Plant, The, by Thomas D. Miller 771
*Didier-Stettiner System of Inclined Retorts in England, The: Its Installation at Plymouth, and Other Works Extensions and Improvements 208, 243, 290
Distributing Gas at 25 Pounds Pressure per Square Inch, by George Helps 923
*Distributing System, Overhead, Safeguards and Regulations in Operation of, by W. C. L. Eglin 50
District Collection of Gas Bills, The, by F. W. Frueauff 808
Drake, C. F., Associate Work, The True Spirit of 168

E

*Economic Admission of Steam to Water Gas Producers of the Lowe Type, The, by G. W. McKee 126
Economy, Central Station, by F. H. Davies 731, 773
*Economy for Gas Works, A New Source of; Firebrick Making at the Crystal Palace District Gas Company's Works 123

SPECIAL INDEX OF REPORTS OF PROCEEDINGS OF ASSOCIATIONS.

Michigan Gas Association—Eleventh Annual Meeting.

Address, Inaugural 233
Inaugural Address, Appointment of Committee on 410
Invitation, An 410
Executive Committee, Report of 409
Members, New, Election of 409
Naphthaline, Report on the Progress of the Study of 489
Next Place of Meeting, Report of Committee on 491
Nominations, Appointment of Committee on 409
Officers, Election of 491
President's Address, Report of Committee on 491
Question Box 412, 449, 489
Roll Call 447
Routine Business 491
Scholarship Fund, Report of Committee on 491
Secretary and Treasurer, Reports of the 410
Special Committees, Appointment of 447
Special Committees, Report of 410
Thanks, Votes of 492
Western Gas Association, A Present from the 492

PAPERS READ—

President's Address, Appointment of the Committee on 325
President's Address, Report of Committee on 602
Question Box 363, 452, 522
Responses, Some 401
Roll Call 363
Secretary's Salary, Increasing the 404
Secretary, Treasurer and Librarian, Reports of 363
Telegram and Some Correspondence, A 363

PAPERS READ—

Gas Arc Lamps, Installation and Maintenance of, by Thomas H. Hintze 367
*Gas Engine, The, from the Manager's Standpoint, by H. W. True 562
*Inclines at New Bedford, by C. H. Gifford 404
*Inclines as Used at Lynn, Mass., by C. F. Prichard ... 406
*Independent Water Heaters, Testing of, by A. J. Campbell and George B. Leland 484

Ohio Gas Light Association—Twentieth Annual Meeting.

Addenda to the Baehr Paper, Contributed Respectively by Messrs. L. Parker, B. H. Miller, C. C. Hartung, G. C. F. Vater, John Dell and J. L. Green 687
Address, Inaugural 451
Address of Welcome and Response 529
Announcement, An 648
Bureau of Forms and Records, The Report of the 648
Coke, Standard Sizes of, Report of the Committee on 809
Communications, Some Interesting 847
Executive Committee, Additional Report from the 848
Executive Committee, Report of 530
Final Resolutions, Report of Committee on 851
Gas Congress, In the Matter of the 807
Gas Meters, Uniformity of, Report of the Committee on .. 729, 763
Gas Meters, Uniformity of, Selected Answers to Questions Sent Out by the Committee on 763
High Court, Closing the 851
Honorary Membership, Mr. Chollar, Elected to 848
Laborer is Worthy of his Hire, The 851
Mapping Mains, Report of Committee on Uniform System of 808
Members, New, Election of 530
Memorials, Report of Committee on 729
Next Place of Meeting, Report of Committee on 809
Nominations, Report of Committee on 851
Novelty Advertising and New Business Methods Department, Edited by B. W. Perkins 725
Officers, Election of 851
President's Address 451
President's Address, Report of Committee on 810
President's Address, Appointment of Committee on 531
Question Box 603, 803, 889, 928, 967, 1006
*Question Box, Motion to Constitute a Committee of Revision of the 806
Regret, Letters of 531
Roll Call 529
Routine Business 530
Secretary and Treasurer, Reports of 531
Standard Method of Testing Fuel and Gas Appliances, Report of Committee on 848

PROGRESS DEPARTMENT—

Acetylene Lighting 646
Ammonia Washers 644
Bench Construction 643
By-Product Coke Ovens 645
Charging and Drawing Machinery 643
Conveying Machinery, Coal and Coke 644
